

OSWA Annual Meeting and 2007 Family Forestlands Symposium
Sponsorship Registration Form

YES!
I want to join the
Oregon Forest Resources Institute
Oregon Department of Forestry
Committee for Family Forestlands
Family Forests of Oregon
Oregon Small Woodlands Association
Defenders of Wildlife and the
USDA Forest Service
in becoming a sponsor!

*As a sponsor, my support will be noted in several outreach materials that are used before, during and after the event/s.

Your sponsorship helps raise \$18,000 in additional funds for the following:

To reduce participant fees - \$10,000
Scholarships - \$5,000
Administrative costs - \$3,000

*(Because the Committee for Family Forestlands and the Oregon Board of Forestry are precluded from raising funds for the symposium per Oregon State guidelines, the Oregon Small Woodlands Association (OSWA) and Family Forests of Oregon (FFO), both non-profit organizations, are actively engaged in seeking funds for **both** events. In return, 20% of each dollar raised will be provided to OSWA and FFO (20% combined) as repayment for their fundraising services.)*

- I would like to support the Oregon Small Woodlands Association (OSWA) and Benton County SWA, "Enhancing our Woodland Neighborhoods - Beyond Sustainability."
- I would like to support the Board of Forestry and Committee for Family Forestlands 2007 Symposium, "Looking Forward II, Oregon Families & their Forestlands: What's at Stake?"
- I would like to make a general contribution to the event.

ENCLOSED IS A CHECK/MONEY ORDER FOR: \$ _____

Company - _____ Contact: _____

Address, City, State, Zip - _____
