Do you have a succession plan for your tree farm? As American Tree Farm System celebrates its 75th anniversary, it's a good time to look ahead at the next 75 years. Good succession planning is a way of building shared vision and passion for the land among the family. A panel of presenters will discuss succession planning and provide insight into important discussions to have with heirs and/or charitable planned giving entities. Bring your family for the workshop; there will be time for any questions you might have about communication and legal aspects of succession planning.

Tree Farm Recognition Luncheon
Time: 11:45 a.m. - 2:00 p.m.
Place: Miller Hall, World Forestry Center

The workshop will be followed by a brief Oregon Tree Farm System business meeting and then a lunch honoring the County Tree Farmers of the Year. The high point of the day will be a video featuring all the County Tree Farmers of the Year and the announcement of the Oregon Tree Farmer of the Year for 2016.

The workshop is free; the luncheon is $30 per person ($15 for each additional family member after 2 full registrations). For more information, contact Anne Hanschu at 503-357-2551 or netvetrdh@gmail.com.
