American Forest Resource Council

Healthy Forests. Healthy Communities.

Renewable Wood Products for America's Needs

"At AFRC, we are passionate about what we do – which is advocate for responsible management of our public forestlands. We strongly believe that active management of our public forests is the right thing to do – for the environment, for the economy, and for the future. Our work is inspired by AFRC members' commitment to community, honesty and hard work, and their love of the outdoors."

Travis Joseph, AFRC President
