Cathy and John Dummer

A Day of Information and Fun

Walking Woods Tour Focus:

Rookie tree farm owners, tree farm history and management – **John and Cathy Dummer**

Forest inventory and management planning - **Amy Grotta**, OSU Extension Forester

Identification of tree diseases - **David Shaw**, OSU Extension Forest Health Specialist

Beavers, songbirds and riparian habitat - **Fran Cafferata Coe**, Certified Wildlife Biologist

Management Options - **Mike Cloughesy**, Director of Forestry, Oregon Forest Resources Institute

Log Markets – **Erik Davis**, Log Buyer, Stimson Lumber Company

Other Planned Activities - Coffee and donuts at 8:30 am, meet other family forest neighbors, identify tree species on homemade quilt, enjoy the music from members of The Mavericks (a local country folk band), test your skills at the fir cone driving range, Oregon Department of Forestry fire truck (if available), and enjoy a lunch catered by local Claeys Catering.

Directions: Location is Pumpkin Ridge Road north of North Plains. Head north on Glencoe Road from Highway 26, veer left onto Pumpkin Ridge Road. Stay on Pumpkin Ridge Road to the end of the pavement. The Ridge is 3 miles past the end of the pavement, gate is on the west side of the road. Parking will be along the west side of Pumpkin Ridge Road facing south so you'll have to go past and turn around. We'll have folks out directing traffic. Look for OSWA Woods Tour signs

Tree Root Disease on The Ridge Tree Farm

Tour Sponsors: Oregon Tree Farm System, Oregon Small Woodlands Association Washington County Chapter, Oregon Forest Resources Institute, OSU Forestry Extension, Oregon Department of Forestry, and Oregon's Sustainable Forestry Initiative (SFI®) Implementation Committee
